### **The Center for Mental Health Expands Services and Moves to New Naturita Location**

**Naturita, Colorado – May 18, 2020** – The Center for Mental Health in Naturita has a new location as of May 1st, 2020. Previously located at Basin Clinic, The Center for Mental Health (CMH) has moved to a new building to better serve the behavioral healthcare needs of the local community.

CMH is appreciative of the Basin Clinic and the opportunity of working together over the past several years and plans to continue the important community partnership in future endeavors. To continue growth and expansion of the mental health resources CMH offers in the community, the location has moved inside the Vista Realty offices at 212 E. Main St. in Naturita.

At this new location CMH will be providing behavioral health counseling, substance use treatment services, and psychiatric appointments. Clients of CMH will also have phone and video teletherapy access to all services which include:

- Individual Therapy for All Ages
- Group Therapy
- Family Therapy
- Psychiatry and Medication Management
- Substance Use Counseling
- DUI Services
- Psychological Evaluations
- Peer Services

Clients will have private, secure access to the on-site, in-office teletherapy system to easily access any CMH programs and providers across the six-county region The Center for Mental Health serves. This location will be open by appointment only – call 970.252.3200 to make an appointment.

Laura Byard, regional director at The Center for Mental Health says “We are committed to serving this community and expanding access to our programs with this new location. We are actively looking for a locally-based clinician to serve this important area.”

In addition, residents of Naturita have access to the services offered by the Crisis Walk-In Center centrally located in Montrose, open 24 hours a day, 7 days week.

The Center for Mental Health is a nonprofit organization seeking to promote mental health and well-being. It provides behavioral health services across 10,000 square miles including Delta, Gunnison, Hinsdale, Montrose, Ouray, and San Miguel counties.
